

ANGULLONG

VINEYARD

Angullong is located amongst the picturesque foothills of Mount Canobolas in the high elevation, cool climate wine region of Orange, New South Wales, about 350km west of Sydney. The region's cool climate and ancient soils have combined with careful hands-on viticultural management to produce quality fruit and wines with great regional character.

2017 LATE HARVEST RIESLING

GRAPE VARIETY:	Riesling.
REGION:	Orange Region, NSW
WINEMAKING:	The grapes were left on the vine for longer than other white varieties to allow development of the natural sweetness. Upon harvesting, the grapes were pressed, then fermented at a low temperature to preserve the freshness. Winemaking was kept to a minimum to highlight the regional and varietal characters.
COLOUR:	Pale straw colour with a golden hue.
AROMA:	The aromas are beautiful balanced, with floral and mineral characters along with citrus lime.
PALATE:	A clean and fresh wine with sweet lime and lemon citrus flavours set within a complex palate which lingers delightfully, finishing crisp due to the natural regional acidity.
WINE ANALYSIS:	Alc/vol: 14.5%
ADDITIVES	Made using traditional methods. Some traces of egg products may remain. Preservative 220 added.
PEAK DRINKING:	Enjoy now and over the next seven years.
FOOD MATCHES:	Share with richly flavoured cheese, particularly blue cheese, or desserts such as creme brûlée.
